

Data Analytics Project

ALL THOR MOVIES BY RELEASE YEAR

1. Description

This report presents a chronological listing of all movies featuring Thor, sorted by their release year. Thor, a key character in the Marvel Cinematic Universe (MCU), has been part of several blockbuster films known for their action, mythology, and humor.

2. Movie List

MOVIE TITLE	RELEASE YEAR
Thor: The Dark World	2013
Thor: Ragnarok	2017
Thor: Love and Thunder	2022

3. Summary & Insights

- The Thor movie series follows the evolution of the character from Norse mythology to a modern superhero.
 - Thor: Ragnarok (2017) redefined the franchise with a lighter tone and comedic elements.
 - Thor: Love and Thunder (2022) continued expanding Thor's story while introducing new characters.
 - This report helps analyze the development of superhero narratives over time in the MCU.
